

2017 AWARD FOR 7th CONGRESSIONAL DISTRICT STATES LADY OF THE YEAR

AWARDED TO MRS PEGGY DANIEL

"Every once in a while one of our own gets recognized for all they have done. August 3, Peggy Daniel will receive the 7th Congressional District Statesman of the Year Award at the Statesman's Dinner in Nashville. VP Mike Pence will be the guest speaker.

Peggy was one of the original Young Republicans in McNairy County. She has held many titles and worked for the party in many ways. Currently she is VP of the Republican Women and vice Treasurer of the Party. We are trying to raise enough money to purchase a table at this event, \$2,500, as we feel that we need to have some people there from McNairy County. Single tickets are \$250, if you can afford that please buy a seat and go. If not we are asking for donations \$10-\$20-\$100 or whatever you can give. Drop it off with Penny at BankcorpSouth or leave it for me at McNairy County News.

What a great way to celebrate a lady who has done so much for our Party." -
